PERSONAL BENEFIT FOR OWNERS	For owners, all business balances count toward personal Freedom Gold & Freedom Platinum Checking balance requirements ⁶			

(1) Business NOW restricted to Sole Proprietors and most Non-Profit Organizations.

(2) For Business Gold Checking, combined balances include average monthly balances in all business deposit accounts plus outstanding business loan balances at the end of a statement cycle; all accounts must be owned by the same business entity.

(3) The Business Plus Checking Earnings Credit is the allowance earned on the current month's average collected balance (reduced by balances maintained as reserves with the Federal Reserve) and is used to offset service charges. The Earnings Credit allowance in excess of service fees can be carried over from month to month within each calendar quarter. The Earnings Credit allowance rate is subject to change.

(4) For Business Blue and Business Gold Checking, transactions include all debits and withdrawals and all credits, deposits and deposited items.

(5) An Account becomes inactive if you do not conduct any qualifying transactions for a period of 365 days.

(6) For individuals with 20% or more ownership, average monthly balances in all business deposit accounts, plus all outstanding business loan balances at the end of a statement cycle, will be included as part of their personal combined balances for Freedom Gold and Freedom Platinum Checking.
