I intend to use the follow	ving device for making e	lectronic deposits: (limited to one)
☐ iPhone	☐ iPad	☐ Android

Important requirements summarized from the Middlesex Savings Bank eDeposit Agreement (the "Agreement"). Please see the Agreement for additional terms and conditions.

As you convert your items into electronic images to be transmitted and deposited to your account, it is your responsibility to ensure that:

- •The electronic image represents an item properly payable to you, and must include your endorsement (your signature, the last four digits of your account number and the words "For MSB eDeposit Only").
- •The Service is used to deposit items drawn on U.S. banks in U.S. currency only. Deposits of other items including but not limited to postal money orders, money grams, foreign checks or checks made payable to multiple payees should be made in person or by mail.
- •Items imaged through the Service must be received and confirmed before 4:00 PM Eastern Time (3:00 PM Central Time) on a business day in order to be considered deposited on that day. The Bank will provide same day credit to your account (not immediate credit), if the item is received and confirmed before the final deposit cutoff of that business day.
- •Appropriate supervision and security measures will be maintained over the mobile device registered with the Bank to make electronic deposits.
- •Safeguards will be used to ensure physical security of the deposited item, for a period of at least 60 days after deposit. Deposited items should then be destroyed in a safe and reasonable manner.

Authorization:

By signing below, I agree to the terms and conditions governing Middlesex Savings Bank eDepositsm as they are now or hereafter may be altered or amended. Middlesex Savings Bank reserves the right to use the above information to obtain identity and background information before opening any account or delivering access to various banking services.
