

Privacy Statement Mobile App Supplement

MSB's mobile apps utilize features on your device to improve performance and help prevent fraud.

The type of information we may collect regarding your mobile device can include:

- Device settings.
- Unique device identifiers.
- Location information: If you have enabled location services on your phone and agree to the collection of your location when prompted by the Services, we will collect location data when you use the Services even when the app is closed or not in use; for example, to provide our fraud detection services. If you do not want us to collect this information, you may decline the collection of your location when prompted or adjust the location services settings on your device.
- Analytical information that may assist with diagnostics and performance.

Some information is collected automatically and does not require any action on your part. For your convenience, you may be asked to grant permission to access features on your mobile device, which may include but is not limited to, the following:
